ZIEDEL

PRECISION TURBO SOLUTIONS FOR ENHANCED PERFORMANCE

Dandong Boost Turbo Power Co., Ltd., established in 2000, is a leading manufacturer specializing in high-precision turbo solutions. **Based in China**, we provide top-quality products to turbo re-manufacturers, repair specialists, and OEMs for their aftermarket turbo programs. Our extensive range includes turbocharger cores, turbine wheel shafts, compressor wheels, bearing housings, and more, all engineered and VSR balanced to ensure optimal performance. With advanced automation and strict quality control, we deliver reliable, high-performance solutions that meet the highest industry standards.

Our Product Range Includes:

Turbocharger CHRAs (Core Assemblies) Turbine Wheel Shafts	Compressor Wheels Bearing Housings	Seal Plates Heat Shields Variable Nozzle Rings
---	---------------------------------------	--

And much more...
